The total increase in the number of users as well as the overall usage of CleverCogs system maintain at a steady rate, from 2018 to 2021. Even though access starts to drop rapidly in mid to late 2019, probably due to the impact of covid-19, it is clear that 2021 shows a significant amount of user activity.

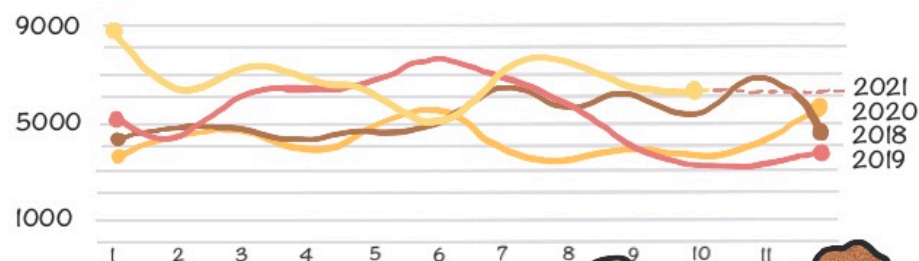

Male users' overall clicks have changed significantly in 2021, while the trend of female users' is more moderate.
